

A Guide to Using the SBI/ACR Symposium 2016 App

STEP 1

If you **previously created an account** using SBI/ACR Breast Imaging Symposium Online Planner, log in with the **same username** (your email) and **password**. Don't know your password, click on **"Forgot your password?"** to have it emailed to you. Otherwise, select **"Create Account"** and type the event code below to unlock the app.

Event Code: SBIACR2016

STEP 2

Find the presentation you want quickly and interact with the presentation slides by **drawing on slides and highlighting text**. Use the note-taking mode to **type your notes next to each slide**.

Please note that you will need an internet connection to download all slides but can later view them and take notes on them without one.

STEP 3

If you don't have a device that is able to download apps, you can use your **laptop**. As long as you have an internet connection, you can take notes on presentations through your laptop, or access slides following the conference on a laptop or desktop via the following website link: <http://bit.ly/SBIACR2016> If you already have an account on a mobile device, use the same account information that was emailed to you. Otherwise follow the steps to create an account.
